It is an era of Automation

Presently the lifestyle of any individual keeps them busy and occupied in their daily schedules, which can be eased with the help of some automisation. Automatic doors ensure decreased overhead costs, increased productivity, consistency, reliability and security.

Automation is having technology do things for you repeatedly with precision and assuring safety. Automatic sliding doors definitely help in saving time, money and energy.

Type of Automatic doors

- Single leaf Maximum opening 1800mm.
- Bi-parting door Maximum opening 2200mm.

Bi - Part / Double Door
